

Anodizing Industrial Fan Blade Aluminum Profile Replacement For Air Coller

Our Product Introduction

for more products please visit us on aluminumextrusion-profiles.com

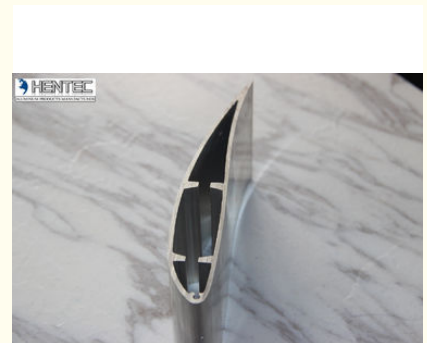

Basic Information

- Place of Origin: China
- Brand Name: HENTEC
- Certification: CA ,CE
- Minimum Order Quantity: 500set
- Packaging Details: Ep paper , pallet or wooden case
- Delivery Time: 20days
- Payment Terms: T/T ,L/C
- Supply Ability: 100 000sets each month

Product Specification

- Product Name: Industrial Fan Blade
- Material: Aluminum
- Temper: T5, T6
- Surface: Powder Painting / Anodizing
- Machining: Cutting / Drilling ...
- Certificate: ISO9001:2000
- Highlight: replacement fan blade, palm frond fan blades

Product Description

Anodizing Industrial Fan Blade Aluminum Profile Replacement For Air Coller

Powder Painted Industrial Fan Blade Aluminum Profile , Air Coller Fan Blade

Our advance is that we can provide one-stop service for our cutstomer, from materials to various machining to different surface treatment, so we can save the cost for client, control the quality and lead time, etc.
