

## OEM Precision Sand Die Casting Aluminium Steel Gravity Casting Parts

Our Product Introduction

for more products please visit us on [aluminumextrusion-profiles.com](http://aluminumextrusion-profiles.com)

### Basic Information

- Place of Origin: China
- Brand Name: MetalPlus
- Certification: CA ,CE
- Minimum Order Quantity: 1 ton
- Packaging Details: EP Paper ,kraft and pallet
- Delivery Time: 20days
- Payment Terms: T/T or L/C
- Supply Ability: 100 000 ton each month

### Product Specification

- Die Casting Method: Precision Die Casting
- Machining: CNC Machining
- Certification: SGS
- Texture: According To Customer's Drawing Or Samples
- Application: Agricultural Machinery Parts
- Material: Stainless Steel, Carbon Steel, Alloy Steel
- Highlight: **Aluminium Steel Gravity Casting,  
OEM Steel Parts Sand Die Casting,  
Precision Sand Die Casting**

## Product Description

Our company MetalPlus was founded in 2007, with 15 years' experience about development and manufacture management. Our company's production workshop consists of mould department, casting department, processing department, CNC department, paint department, etc. It has 50 professional die design engineers, senior mould making technicians, die-casting engineers, and CNC programmers. The quantity of production workers can be reach to 800 hundred.

### Description:

<b>Material</b>	Aluminum alloy: ADC12 Steel Zinc alloy
<b>Processing Craft</b>	Drawings→ mould making → die casting →rough machining → CNC machining→surface treatment →product checking→ packing →delivery
<b>Surface Treatment</b>	Electroplating, Chrome Plating, Zinc Plating, Nickel plating, Electrophoresis, Anodization, Polishing, Sandblasting, Passivation, Powder coating, Spray painting, Etc.
<b>Quality Assurance</b>	ISO9001:2015 Certified, SGS Certification
<b>Inspection</b>	1.Foundry in-house: 100% inspection on critical dimension; 100% on appearance. 2.Third Party inspection available upon requirement
<b>Features &amp; Advantage</b>	1.High strength and not easy to deform, has good electrical and thermal conductivity. 2.The machining precision is high and the assembly structure is seamless. 3.No granules, no spots and no painting peel off in appearance. 4.Smooth appearance, corrosion resistance.
<b>Application</b>	3C industry, lighting decoration, electrical appliances, auto parts, furniture parts, electric tool, medical equipment, intelligent automation equipment,other metal casting parts.

### Competitive Advantage:

Project team-customer service  
Engineering team-provide R&D and technical support  
QC team-productive process control and incoming parts inspection  
Warehouse team-warehouse management and logistic service

### Machined parts production range:

We are a professional manufacturer of casting and machining. Most of our production is automobile parts, meter, instrument casing and other productions for civil and industry use according to concerned national standard. We have professional fixture and testing tools for many required production which can fit various machinofactures' capacity.

### Casting and machining inspection:

Inspection: In-house and third party  
All the products are strictly inspected by operator and skilled QC with record put down.  
Universal inspection tools: Hardness tester, Height ruler, Depth ruler, Outside ruler, Venire Caliper, etc.

### We can offer Casting sand casting parts according to your requirement :

- 1).ISO9001 SGS
- 2).OEM service available
- 3).Materials: Cast Iron: Grey Iron castings/Gray Iron Castings, Malleable Iron Castings, Ductile Iron Castings, with Coated Sand Casting & Green Resin Sand Castings & Sand Castings
- 4).Process: sand casting
- 5).Weight range: 1KG-2TON
- 6).Application: Industrial parts, Machinery parts, hardware, construction parts, valve parts, train, craft, door handle, hinge, hydraulic pressure, construction, agricultural machinery
- 7).Small orders accepted
- 8).Make machining service as your requirement or drawings
- 9).Professional service
- 10).Surface treatment, painting, zinc plating, machining center, powder coating, Shot Blast, ect.
- 11).High quality and after sale service
- 12).Satisfying customers
