

## ISO9001 Aluminum Heatsink Extrusion Profiles Anodizing For Electronics

Our Product Introduction

For more products please visit us on [aluminumextrusion-profiles.com](http://aluminumextrusion-profiles.com)

### Basic Information

- Place of Origin: China
- Brand Name: MetalPlus
- Certification: RoHS ,SGS
- Minimum Order Quantity: 500pcs
- Price: 2.35
- Delivery Time: 25days
- Payment Terms: T/T ,L/C

### Product Specification

- SurfaceTreatment: Anodizing, Polishing, Sandblasting, Etc.
- Certificate: ISO9001, SGS, Etc.
- Application: Electronics, Automotive, Etc.
- HeatSink: Yes
- Material: Aluminum
- Length: Customized
- Thickness: Customized
- Color: Silver, Black, Etc.
- Highlight:

**Aluminum Heatsink Extrusion Profiles for Electronics**  
**, Anodizing Aluminum Heatsink Profiles,**  
**ISO9001 Aluminum Heat sink Profiles**

Product Description

Product Description:

Aluminum Heat Sink Extrusion Profiles are one of the most popular and versatile solutions for various heating applications, providing superior thermal performance and reliability. Our Aluminum Heat Sink Extrusion Profiles are perfect for thermal management, electronics cooling, and other applications that require efficient heat dissipation. We offer a wide range of Aluminum Heat Sink Extrusion Profiles in various sizes and colors, such as silver, black, etc. Our Aluminum Heat Sink Extrusion Profiles can be customized in thickness according to your needs. Made of high-quality aluminum, these Aluminum Heat Sink Extrusion Profiles are ISO9001, SGS certified and deliver in 20-30 days.

Features:

Product Name: **Aluminum Heatsink Extrusion Profiles**  
Material: **6063 -T5 Aluminum**  
Tolerance: **±0.05mm**  
Certificate: **ISO9001, SGS, Etc.**  
Width: **Customized**

Applications:

MetalPlus is a well-known brand in the industry of aluminum heat sink extrusion profiles. With strict RoHS and SGS certifications, our aluminum heat sink extrusion profiles are of superior quality and reliable performance. The minimum order quantity of our production is 500 pieces, with a competitive price of 2.35. We promise delivery within 25 days of payment, with terms of T/T and L/C. The product is packaged in carton and pallet, and carries ISO9001 and SGS certificates. The aluminum profile has excellent heat sink performance, and is available in silver and black colors with a tolerance of ±0.05mm.

Technical Parameters:

Product Attribute	Parameter
Finish	Smooth, Matte, Etc.
Heat Sink	Yes
Tolerance	±0.05mm
Delivery Time	20-30 Days
Package	Carton, Pallet, Etc.
Width	Customized
Material	Aluminum
Application	Electronics, Automotive, Etc.
Logo	Silk Screen
Thickness	Customized

## Customization:

MetalPlus offers custom-made Aluminum Heatsink Extrusion Profiles to meet your specific needs. Our Aluminum Heat Sink Extrusion Profiles are designed and manufactured to the highest quality standards, with RoHS and SGS certification. Our Aluminum Heat Sink Extrusion Profiles are available in a variety of materials, including Aluminum, and colors such as silver, black, etc. Our minimum order quantity is 500pcs and our pricing starts at 2.35 USD/pcs. The tolerance of our Aluminum Heat Sink Extrusion Profiles is  $\pm 0.05\text{mm}$  and delivery time is within 20-30 days. Our Aluminum Heat Sink Extrusion Profiles can be used in a variety of applications, including Electronics, Automotive, etc.

Order your custom-made Aluminum Heat Sink Extrusion Profiles now and enjoy our competitive pricing and fast delivery times. We accept payment methods such as T/T and L/C.

## Support and Services:

Aluminum.Heatsink.Extrusion.Profiles.Technical.Support.and.Service.....

We are dedicated to providing the highest quality technical support and service for our Aluminum Heatsink Extrusion Profiles. Our expert team is available 24/7 to answer any questions you may have about our products. We provide detailed product information, installation instructions, troubleshooting tips, and more. We also offer a range of custom fabrication services to meet your specific needs.

Our Services Include:

Detailed product information

Installation instructions

Troubleshooting tips

Custom fabrication services
