

Electrical Cover / Precision Casting Parts With Powder Painting

Basic Information

- Place of Origin: China
- Brand Name: HT
- Certification: CA ,CE
- Minimum Order Quantity: 1 ton
- Packaging Details: EP Paper ,kraft and pallet
- Delivery Time: 20days
- Payment Terms: T/T or L/C
- Supply Ability: 100 000 ton each month

Product Specification

- Die Casting Method: Precision Die Casting
- Machining: CNC Machining
- Certification: SGS
- Texture: According To Customer's Drawing Or Samples
- Application: Agricultural Machinery Parts
- Highlight: **Die Casting Parts, Aluminum Die Casting**

Product Description

Electrical Cover / Precision Casting Parts With Powder Painting

Description:

Our company owns powerful technical strength and international advanced investment casting equipment as well as machining capability for providing a series of high quality service to the clients, which is specialized on the production of investment castings made by high-quality carbon steel, stainless steel, alloy steel and other materials. The company has passed quality certification of ISO9901:2008 , possessing import and export right. The products are exported to the United States, Japan, Europe and other regions as well

Item	Electrical Cover / Precision Casting Parts
Material	High-quality aluminium and aluminium alloy etc
Surface	Polishing, oiled (rust-prevented), zinc-plated, nickel-plated, chrome-plated, hot-galvanized, sandblasting, painting, powder-coating, etc
Usage	Auto & motorcycle, mining machinery, building industry, electrical and electronic products, industrial machinery and equipment and transportation. etc
Processing	Precision Casting, Sand Casting, Aluminum Die Casting, Gravity Casting, Investment Casting, Aluminum Extrusion, Ductile Iron Casting, CNC Machined Part, Bronze Sand Casting
Moulding	1. Using our moulds, free; 2. Using customer' s drawing, opening mould fee need to be paid .
Certificate	ISO9001/2001, Strict quality control system
Package	Standard Export Carton/According to customer' s requirement
FOB Port	Shanghai, etc.

Applications:

Precision Casting Parts are widely used in Auto Parts Series , Machinery Parts Series , Hardware Parts Series , Medical Equipment Series .

Competitive Advantage:

1. Tight tolerance, Provide ODM/OEM service
2. Steady Quality and Small Quantity Accepted
3. Reliable Capacity
4. Standard: According to the dimension tolerance of machining of customers' requirement.
5. On Time Delivery
6. Competitive Price
7. Rich Experience on Casting Production

Machined parts production range:

We are a professional manufacturer of casting and machining. Most of our production is automobile parts, meter, instrument casing and other productions for civil and industry use according to concerned national standard. We have professional fixture and testing tools for many required production which can fit various machinofatures' capacity.

Workshop equipment of casting and machining:

7 machines for die casting weight , 4 machines for machining center, 12 machines for CNC and other more than 40 normal machines. We have 1 equipment for three coordinates measuring and any other infiltrationh, shot blasting, washing and presssure testing equipments.

Casting and machining inspection:

Inspection: In-house and third party

All the products are strictly inspected by operator and skilled QC with record put down.

Universal inspection tools: Hardness tester, Height ruler, Depth ruler, Outside ruler, Venire Caliper, etc.
